Join CDP for a party your child won't forget!

Have your next birthday at Cary Dance Productions and we'll make sure it will be an event your guests will remember! We offer a bright facility, great music, cafe area for gift opening and cake, plus a variety of birthday packages to pick from! Our friendly, professional dance instructors will get your group up dancing!

Your fun filled celebration starts off with dancing and games. You'll learn a custom choreographed routine you can take home and dance with your friends long after the party is over.

With three different party packages to choose from, we customize each child's party to music, to games, to dance genre.

To secure the date and time of your party, CDP will require a deposit of \$45 and full payment by the week of your scheduled party.
