Newsletter - 2017

We are both excited and pleased to invite you and your dancer to our winter benefit concert...

CREATE.

CREATE performances will be Wednesday and Thursday, January 11th and 12th at 7:30 pm at the beautiful Cary Arts Center in downtown Cary.

Tickets are now for sale through etix.com.

This year we are asking that families bring one unwrapped toy to the show, as a donation.

This show has been organized to teach our dancers to use their passion and skills to benefit others. This year, we are excited to announce that we will once again be sponsoring The Caring Place. A portion of our proceeds from ticket sales will be donated directly to this local organization.

CDP has been working with The Caring Place for several years, helping them accomplish their mission: to teach homeless, working families with children, life skills for attaining independent living while providing short-term housing and support services to address their individual needs.

In addition to donating proceeds from our show, Cary Dance Productions also sponsors monthly dance classes for the children in the program (taught by our very own high school seniors), and organizes donation packages for these families in need.

Graduation Basket Donation Collection:

This year, as you have likely seen in the studio lobby, we are collecting "Graduation Baskets" -- these baskets are supplied to families that will be graduating from The Caring Place's program. CDP families are welcome to take home and fill their own Graduation Basket with the items listed at our donation table.

You also have the option of making a cash or check donation, while we take care of creating/filling your basket for you.
\$20 donation = 1 Graduation Basket.

Checks should be made out to "Cary Dance Productions" with memo "The Caring Place"

This year, our goal is to fill 100 graduation baskets!

Share the gift of giving, and show your dancers to use their passion to benefit others. We are so fortunate to contribute by doing something we love! Thank you in advance for being a part of this incredible organization and experience.
