### CDP DRESSER MOM INFO...

- Each class of dancers will have a designated dressing room/area. Because space is limited, and to keep a smooth running show, we cannot accommodate all parents in this space — we instead assign dresser moms to each group of dancers (these must be parent volunteers). Depending on the class size, we will need between 2-4 dresser moms per group.
- Dresser moms are required to help for both dress rehearsal (June 9th) and your specific recital show (June 10th).
- Dresser moms will be responsible for supervising dancers before, between, and after dancing. They will make sure dancers are lined up in their correct order for stage (line-up directions will be provided, don't worry!), help dancers change into their next costumes, and wait with them until picked up by parents.
- Each class will be assigned a parent pick up time (either at intermission or at the end of the show) depending on when dancers perform their last dance.
- If dancers have a long break between performances, we will have a designated area for dresser moms to take their dancers to watch in the audience.
- Once the girls are backstage, dresser moms can go to their designated seating area in the audience to watch dancers perform (dresser moms must come backstage immediately following the routine to take the dancers back to their assigned dressing room).
- Dresser moms will receive one ticket for admission in the reserved "dresser mom seating" area. If you'd like to sit with your family after your dances have been picked up, you will need to purchase a separate ticket.
- If you would like to sign up as a dresser mom, please follow the link to our Sign Up Genius:

### CDP DRESS REHEARSAL INFO...

- Our dress rehearsal will be held in the Memorial Auditorium in downtown Raleigh on Friday, June 9th.
- Dancers are required to wear costumes, performance make-up, hair, shoes, tights, and any required accessories (exactly as they would for the actual show).
- An instruction page for hair and make-up is available on our website.
- You will find your assigned dress rehearsal stage time on your recital show document. **ALL DANCERS ARE REQUIRED TO ARRIVE PERFORMANCE READY 45 MINUTES PRIOR TO THIS TIME.** Don't forget to factor in time for parking and traffic!
- Please arrive ALREADY DRESSED in your first costume. Parents are required to drop dancers off at the dressing room table in the lobby of the auditorium, where a CDP staff member will take your dancer back to their assigned dressing room. Dancers will stay with their assigned dresser moms until assigned pick up time.

### CDP DRESS REHEARSAL INFO CONTINUED...

- Please make sure all costume pieces are LABELED and organized. Since only dresser moms are allowed in the dressing area, organization is key to a smooth running show :)
- Once dancers have been dropped off at the dressing room table in the lobby, parents are free to sit in the auditorium to watch rehearsal.
- Once your child has finished their last dance of the day, please immediately pick them up from the dressing room drop off in the lobby.
- **You may video tape at dress rehearsal - NOT RECITAL!**
- **No food or drink allowed in the dressing room!**

### CDP RECITAL DAY... DROP OFF AND PICK UP

- The doors will open 45 minutes prior to each show. Please do not come any earlier, as we will be setting up/cleaning, and the theater doors will be locked.
- Dancers must be dropped off performance ready, already wearing their costume, with additional costumes and accessories labeled in a bag.
- There is no flash photography or video taping allowed on recital day. We will have a professional videographer with order forms available in the CDP lobby at the show.
- All audience members should keep their seat, only entering and exiting during applause, BETWEEN DANCES. This is a special event for ALL dancers in a beautiful theater. Please dress accordingly.
- Any class participating in the first act only will need to be dropped off 45 minutes prior to show time. Please pick up from dressing room at INTERMISSION.
- Any class in both act one and act two must drop off 45 minutes prior to show time and pick up at the end of the show
- Any class in act two only will need to be dropped off at intermission in costume, and pick up at the end of show.

### CDP FRIENDLY REMINDERS...

- Don't forget to bring your tickets to the show (not to dress rehearsal)!
- Take dancers to the bathroom before dropping them off at the dressing room (both for dress rehearsal and recital)
- Send an extra kit of bobby pins, safety pins, lipstick, hairspray, etc. with your dancer.
- No eating or drinking while in costume
