Michaela Anglin has been dancing for 16 years. She trained in recreational classes at Cary Dance Productions for 5 years before joining the CDP Competitive Company. While at CDP, Michaela has been blessed to be a part of IHIH each year. First as an attendee, then as an assistant, and finally on staff teaching her very own classes! In high school, Michaela was on the dance team at Green Hope High School and worked as a dance teacher at Cary Dance Productions. Michaela is currently attending Appalachian State University and is a part of the Entropy Dance Crew and Appalachian Dance Ensemble! She is very excited to be coming back to CDP as a guest teacher and we can't wait to have her back!

Abi Wiggins has been dancing for 16 years and is an Alumni of Cary Dance Productions. She has trained in multiple genres of dance throughout her dance career and her favorite style continues to be Hip-Hop! Abi now attends Appalachian State University and is a part of the Appalachian Dance Ensemble. Within the Appalachian Dance Ensemble, Abi is exposed to new genres of dance and many exciting performance opportunities. Abi plans to continue to teach and share her love of dance with those around her! She dreams to one day be an inspiring choreographer in the dance industry. We are so excited to have Abi returning as a guest teacher this year!

Cary Dance Productions

SEVENTH ANNUAL

IN HOUSE IN HOUSE

DANCE CONVENTION 2018

IN HOUSE IN HOUSE:

Several of our Senior Company members were selected for the unique opportunity to teach and host their very own convention here at CDP. These students have been participating in a program of intense study over several months with Jessica McMillan -- focusing strictly on developing skills as a dance teacher and choreographer. This program is meant to give our students an opportunity to explore different venues of continuing dance as a career, to challenge our dancers artistically, and to further harvest creativity and growth within our studio as individuals, and as a team. Many of our past IHH instructors have gone on to teach master classes and choreograph for studios around the state. We are excited to be celebrating the 7th anniversary of this event!

Attendees will take FIVE different dance classes, from our CDP staff and guest master class instructors! This year we are excited to welcome back CDP Alumni Michaela Anglin and Abi Wiggins as two of our guest instructors. (A third guest instructor will be announced soon!) This convention is the perfect opportunity to learn new dances, practice performance, and perfect your audition skills (attending dancers will have the opportunity to receive scholarships to next year's convention and more)! You don't want to miss this event!

May 20th - 1:30pm-6:30pm

Cost \$60 — This Fee Includes:

Erin Kremer - Contemporary

Although her love for movement started in her living room and in gymnastics class, **Erin Kremer** has been training as a dancer for 9 years, and currently works as an assistant teacher here at CDP! Erin loves to mix many forms of dance and athleticism into her choreography to create rich, innovative movement. She is currently a junior at Green Hope High School and is planning to double major in physical therapy and dance choreography in college in hopes of working as a choreographer and sports therapist for young dancers.

Lilli Brown - Musical Theater

Lilli Brown has been dancing since the age of 3 and joined the CDP competitive company when she was 13 years old. She has been a teacher assistant at Cary Dance Productions for 3 years and is excited to teach her choreography for the first time! As a former attendee of the Commercial Dance Intensive, and current volunteer dance teacher at The Caring Place, Lilli has been influenced by many dancers with all different backgrounds. Lilli is excited to continue dancing in college and one day break into the commercial dance industry herself!

Camryn Jones and Jada Vaughan - Hip Hop

Jada Vaughan has been dancing for 11 years and joined Cary Dance Productions in 2014. She is currently a senior at Cary High School and will be attending Wake Technical Community College next year. Jada hopes to become a photographer and travel around the world! She is so excited to be teaching at IHH this year and can't wait to share her moves with you!

Camryn Jones has been dancing for 14 years. This is her third year dancing on CDP's Senior Company and she is ecstatic about teaching Hip Hop at IHH this year! Currently attending Apex Friendship High School, Camryn is a part of the dance company, club, and dance team. Attending many conventions through her years, Camryn has been awarded several scholarships for her performance in class, and currently holds the title of Miss Showbiz.
