EIGHTH ANNUAL

IN HOUSE IN HOUSE **DANCE CONVENTION**

2019

IN HOUSE IN HOUSE:

Several of our Senior Company members were selected for the unique opportunity to teach and host their very own convention here at CDP. These students have been participating in a program of intense study over several months with Jessica McMillan -- focusing strictly on developing skills as a dance teacher and choreographer. This program is meant to give our students an opportunity to explore different venues of continuing dance as a career, to challenge our dancers artistically, and to further harvest creativity and growth within our studio as individuals, and as a team. Many of our past IHIH instructors have gone on to teach master classes and choreograph for studios around the state. We are excited to be celebrating the 8th anniversary of this event!

Attendees will take FIVE different dance classes, from our CDP staff and guest master class instructors! This year we are excited to welcome back CDP Alumni Michaela Anglin and Taylor McNair as two of our guest instructors. (A third guest instructor will be announced soon!) This convention is the perfect opportunity to learn new dances, practice performance, and perfect your audition skills (attending dancers will have the opportunity to receive scholarships to next year's convention and more)! You don't want to miss this event.

Erin Kremer - Contemporary

Erin Kremer is a senior in high school and is attending the University of Maryland at College Park this fall. She is very excited to be majoring in dance as a Terp! This will be her 7th year in company and her 2nd year teaching at IHIH. She has worked as a TA for company for 6 years and just finished helping choreograph her high school musical Beauty and the Beast. Erin also choreographed a number that part of her company performed at Disney. After college she is planning to become a choreographer and continue working with kids.

Amber Seward - Lyrical

Amber Seward has been dancing for 15 years, and has been part of the CDP competitive company for 11! She is currently a dancer on the CDP Senior Company,. She is excited to share her passion for dance through Lyrical, showing dancers how to express themselves through movement instead of words, and how to use this as a tool to move out of their comfort zone and grow as performers and as people. She is so excited to share her passion with you!

Shelby Feder and Lauryn Mulder - Jazz

Shelby Feder has been dancing at CDP for 14 years and has been part of the CDP competitive company for 11. She will be graduating in June and has plans to attend East Carolina University! Dance has changed Shelby's life. The relationships she has made at the studio has made her into the person she is today. She has learned that dance is an art that brings people together and is excited to cultivate this love in her classes at IHIH. Curious about tapping into interior design next year, Shelby is excited to bring her aesthetic vision to life through her choreography!
