CDP presents... CREATE

Cary Dance Productions
Winter Benefit Concert 2019-2020

The Caring Place, Inc.
Caring, Helping, and Equipping People for Living

[We are very pleased to invite your family our winter benefit concert: CREATE.](#)

This show has been organized in an effort to teach our dancers to use their passion and skills to benefit others. This year, we are excited to announce that we will once again be sponsoring The Caring Place. A portion of our proceeds from ticket sales will be donated directly to this local organization.

CDP has been working with The Caring Place for many years, helping them accomplish their mission: *to teach homeless, working families with children, life skills for attaining independent living while providing short-term housing and support services to address their individual needs.*

In addition to donating proceeds from our show, Cary Dance Productions also sponsors monthly dance classes for the children in the program (taught by our very own high school seniors) and organizes donation packages for these families in need.

★ **STEP RIGHT UP AND HELP THE CARYING PLACE FAMILIES** ★

CDP Families - please support The Caring Place families as they transfer into their new homes by donating household items! There are a few ways you can help:

We will be collecting household and personal items for families that will be moving into their new temporary home sponsored by The Caring Place. **Throughout the months of November and December we are collecting donated items as well as monetary donations to support.** Wish lists for suggested donations are available at CDP and can be found through the amazon link below-- these include kitchen supplies, cleaning supplies, and personal hygiene kits. Dancers can also enter our RAFFLE for a free private lesson, an ad in the recital program, or an ice cream date with Ms. T! Raffle tickets are \$1 each and all proceeds will be donated to The Caring Place!

Donated items can be brought in to CDP and placed in the collection bins underneath the CREATE table to the left of the front door. Monetary donations can be turned in to the drop box located to the left of the window display.

[Our goal is to FULLY STOCK The Caring Place with supplies by December 31st!](#)

Our CREATE performances will be **Wednesday and Thursday, January 15th and 16th at 7:30pm** at the beautiful Cary Arts Center in downtown Cary. The performance consists primarily of our competitive company and recreational competitive company dancers along with several of our recreational dance classes.

Tickets will be for sale in December through Etix.com.

Share the gift of giving and show your dancers to use their passion to benefit others. We are so fortunate to contribute by doing something we love! Thank you in advance for being a part of this incredible organization and experience.
