

CARY DANCE PRODUCTIONS MAY 2020

MORE INFO COMING SOON!

We are SO PROUD of our CDP FAMILY!

Not only are we seeing sweet smiles each week, but we are seeing technique improve! We are learning new choreography! We are playing games, lifting each others spirits, talking about our feelings, and dancing them out! We are so grateful that technology has allowed us to continue dancing and connecting, and guess what... we aren't going to stop.

We realize there is a lot of information circulating about the ideas for re-opening our state. Although we do not have all the answers right now, let us make one thing clear... we will not be cancelling dance. For the time being, we will continue our virtual classes through the month of May.

Because we are anticipating new information from our state officials this week, we will be providing details about auditions, our In House In House convention, recital plans, and summer soon. Thank you for your patience!

May Tuition Due:
