MAY 15TH | 1:30-6:30PM | EVENT FEE \$65*

Several of our Senior Company members were selected for the unique opportunity to teach and host their very own convention here at CDP. These students have been participating in a program of intense study over several months focusing on developing skills as a dance teacher and choreographer. This program is meant to give our students an opportunity to explore different venues of continuing dance as a career, to challenge our dancers artistically, and to explore creativity as individuals and as a team. Many of our past IHH instructors have gone on to teach master classes and choreograph for studios around the state. We are excited to be celebrating the 11th anniversary of this event!

Event Fee includes FIVE dance classes (including master class instructor), exclusive IHH Apparel, and SCHOLARSHIP opportunities. Register through EVENTS in your parent portal.
