TUITION AND PAYMENT INFORMATION

MONTHLY TUITION RATES

Tuition is based on a 10-month calendar beginning August and ending with our spring recital in June. Tuition can be paid monthly or in full at the start of the season. It is important to understand that tuition is not based on a "four class per month" rate, as some months may fluctuate due to holidays and inclement weather; instead, tuition is based on the annual cost for the classes scheduled, divided into 10 payments. Monthly tuition is required regardless of absences — including missing class for vacation or illness. Your first tuition payment (drafted upon registration) will be considered your August/June tuition fee. Each payment after will be drafted on the 1st of the month (September-May).

Tuition is due on the 1st of each month and considered late after the 5th. Accounts will be charged a \$10 late fee if they are not paid in full by the 5th. Credit card/Bank account information is required for registration. Please make sure your payment information is up to date and that your account is ready for each monthly draft — a \$35.00 decline fee will be charged to accounts we are unable to process for any reason.

Tuition is based on the total amount of class time per student. Example: If one dancer is taking two 30 minute classes, the tuition payment would be for 1 hour per month (\$85).

Upon registration, the following fees will be drafted from the payment information stored on file: First tuition payment (considered half August/half June), studio registration fee (\$50), and costume deposits (\$25 per dance for all recreational classes).

Final costume balances will be announced mid-October. Your remaining costume balance will be drafted with your November tuition on November 1st.

Incidentals that are charged to your account (t-shirts, tights, shoe bows, etc) will be charged to your account and auto-drafted during the next billing cycle.

RECITAL COSTUME FEES

All registered students are required to perform in our end of year spring recital. Students will be required to purchase a separate costume for each class. On average, fees range from \$75-\$95 per recreational costume. A \$25 costume deposit is required for each class and will be deducted from the total price of your costume. Full costume balances are due in November (charged to your card on file). Your costume balance will be announced mid-October.

If for any reason your dancer is not able to join the end of year recital and you do not wish to purchase your group costume, written notice must be submitted via email (info@carydance.com) by October 31st to avoid an additional costume fee.

Recital information will be available as we near the event.

FAMILY DISCOUNTS

Families with 2 or more dancers enrolled are eligible for a FAMILY DISCOUNT. For two children you will receive 10% off of your monthly tuition. For three children or more, you will receive 15% off your monthly tuition. This discount is available for immediate family members only.

CLASS ATTIRE

All students are required to wear dance-specific clothing to class. Examples include: leotard and tights, dance pants, leggings, tank tops, and bike shorts. We recommend fitted clothing options to avoid material getting in the way of instruction. All shoe requirements are listed on our fall class schedule. All students must have hair pulled back neatly away from their face. Hair should stay secure through the entire of dance class to avoid disruption.

MAKE UP CLASSES

If for any reason your dancer is unable to attend their weekly class, you will have the option to attend a class of similar age and skill level within two weeks of the class missed. There are no refunds or discounts for classes missed. If you would like to make up a class, please reach out to our office staff to coordinate. You can reach us by email (info@carydance.com) or by phone 919-467-7040.

CLASS WITHDRAWAL

A two-week notice letter is required for any student who wishes to withdraw from classes at CDP and stop tuition payments. This letter should be submitted through email (info@carydance.com). After October 31st costume deposits are non-refundable. Please note, full tuition payment is still required for the month in which the student drops. If your child withdraws after recital costumes have been ordered, you will be responsible for full costume payment.
